

**A Reading**

**What do your teachers do at school?**

My favourite teacher is Miss Robins. I think she's always the first person at school. She usually comes to school at 7.30. Then she drinks some water and goes to the staffroom. In the staffroom, she looks at her students' papers. At 8 o'clock she looks at her schedule for the day and gets ready for the first lesson. She thinks her morning routine is fun because she has a different lesson every day.

Mr Marcel is our French teacher. In the morning, when I go to school, I see him in a café near my school. He eats breakfast there every morning. He always arrives at school at 8.30. Then he goes to the staffroom to take his books. I never have classes with Mr Marcel in the morning. Other students say he's angry in the morning, but in my class, he's very kind.
